September is set up to be a fun and exciting month! Our big focus this month is National Assisted Living Week, kicking off on September 10th, which is also Grandparent's Day! The theme for the week this year is Season of Reflection, so each day will have different themed seasonal programs. Keep an eye out for all of the amazing things planned in your community for this wonderful week celebrating you and the associates who serve you!

September also celebrates Intergenerational Month - which is all about finding common ground with people of different ages. Did you know that ageism is a double-edged prejudice? It can impact people both old and young adversely - so let's make a commitment this month to set aside stereotypes about being 'too young' or 'too old' and reach across the generational divide to connect with someone of a different generation. Or, be a rebel and embrace learning or doing something typically considered 'age-inappropriate' to prove ageists wrong!
