Did you know that if you were born in 1945 through the early 1960's that you are one of the world's largest age-cohorts? Known as the great baby boom following World War II, you are part of a historic generation known as the Baby Boomers. This month, we celebrate Boomers Making a Difference Month which highlights the societal contributions of Baby Boomers through charitable works and volunteering. Talk with your Life Enrichment team about Graceful Giving opportunities this month to continue to make a difference in your community. Our other big celebration during the month of August is Grace Management's annual Hospitality Week. This month, the hospitality teams in your community will host a week-long celebration focused on fun and hospitality for our associates. We so appreciate all of the hard work they put in each day and they would love to hear from you too! If an associate has made a difference in your life, please tell them or fill out a Grace in Action card to recognize them this month!
