October is here, bringing a focus on health, staying active, fall flavors, and of course, a hauntingly good time. This month, our community is honoring two important observances: Breast Cancer Awareness Month and Active Aging Week. From October 6th to 12th, we're celebrating Active Aging Week, emphasizing the importance of living an active, healthy lifestyle at any age. We have an exciting lineup of activities designed to keep us moving and engaged, including our normal group exercise classes and more! This week is all about trying something new and having fun while promoting physical, mental, and social well-being. You may see a lot of pink this month as we mark Breast Cancer Awareness month and support efforts in early detection. In addition to these important observances, this month also brings a whole bunch of spooky silly fun with Bat Awareness Month, Apple Month, I Love Lucy Day, Bob Ross Day, and of course, Halloween. Don't be afraid to join in the fun!
