# NEWS

May is a month full of movement, mystery, and meaningful moments! We'll start strong with National Fitness Day on May 3rd, so look out for fun ways to get active, stretch, and celebrate the joy of movement together. Throughout the month, we're also celebrating Mystery Month, so don't be surprised if you find secret clues, surprise guests, or a few puzzling twists in your favorite activities. We'll also take time to honor some very special people with our Mother's Day celebrations. Whether you're a mother, celebrating a mother, or cherishing the memory of one, it's a time to feel and share the love. And as May winds down, we'll pause for Memorial Day to reflect on and remember the brave individuals who served our country. From festive to reflective, this month is full of opportunities to connect, celebrate, and enjoy all the little surprises along the way.
